PUBLIC SAFETY TESTING

Law Enforcement Status Report

Date: July/August 2015

2014 - 2015 Police Sergeant

New promotional announcements for the level of Police Sergeant will be posted on August 1, 2015. In addition, promotional announcements for Police Sergeant, which were previously issued in January 2014 and June 2014, will be amended and re-posted on August 1, 2015 to allow newly eligible candidates to apply.

If you already submitted an application in response to a 2014 Police Sergeant announcement, please do not submit a new application. Any duplicate applications will be rejected and the application fees will not be refunded.

Applicants who previously completed applications during the original announcement periods in 2014 will be contacted via email to confirm that their application is on file. Please do not expect the confirmation email before August 1, 2015. Please do not contact the CSC to request this information.

An orientation guide, which provides an overview of the testing format, along with ways to prepare for the exam, will also be available on the CSC website in August. We will post a projected time frame for the examination this summer.

Our method of disseminating information to all interested parties (candidates, appointing authorities, and unions) is to advise them to visit the CSC's website, under Public Safety Testing News, to view the most up-to-date status report on police promotional testing schedules. When there is something new to report, the website status will be updated. Please continue to check the CSC website for updates.
